BACK TO PRESCOTT.—When Mal-
colm Fraser, secretary of the Prescott
chamber of commerce, returned to the
hill top last night Harry Welch went
along for a week end visit. Mr. Fraser
was one of the delegates to the
dry farming convention called by Gov-
ernor Hunt.

BACK TO K. C.—Mrs. Frank A.
Haucorran left last night on a sev-
eral months' trip to Kansas City.
GO TO PRESCOTT.—Miss Mabel
Norton left last night for an outing
of a couple of weeks in Prescott.

ON LOCAL BUSINESS.—H. W. Mc-
Kean is in Phoenix on business con-
nected with the trainmaster's division
of the Santa Fe.

WEEK-END AT SPRINGS.—W. S.
Goldsworthy, of the Santa Fe local
office, left on a week end at Iron
Springs, here Mrs. Goldsworthy has
been summering.

PENNSYLVANIA SOCIETY.—There
will be a meeting of the Pennsylv-
ania Society of Arizona, Monday
evening at 7:30 at the home of E.
B. Wise, 328 North Fourth avenue.
All Pennsylvanians are requested to
be present.

PRESCOTT LABOR DAY.—The cel-
ebration of Labor Day in Prescott is
going to be a notable one. The man-
agers of the affair are being helped
out by the Santa Fe. There will prob-
ably be an excursion to the hilltop,
and to work that matter up in Phoe-
nix H. B. Kohl, traveling passenger
agent at Prescott is here boosting it
along.

NEW LOCATION.—Herzberg Bros.,
whose store, The Fair, was burned
out last Sunday morning, have moved
into temporary quarters in the Alturas
building. In a few days they will be
ready for business again with their
line of ladies' millinery and ready-to-
wear clothes. The new store is lo-
cated on Washington street between
second and Third streets.

FROM NAVAJO LAND.—E. L.
Graves, of the curio company of that
name, returned yesterday from a two
months' stay at trading posts on the
New Mexico section of the Navajo
reservation. At Ganado he was the
guest of Alonzo Hubbell along with
about thirty other visitors to the
strange Indian land. Most of them
went to the Hopi snake dance still as
the guests of Mr. Hubbell.

RESIDENCES INVADDED.—A day
or so ago the residences at 1004 and
1010 North Second street were in-
vaded by someone whose identity has
not been discovered, with the appar-
ent purpose of robbery, though so far
as known nothing was taken. Things
were turned upside down as though
the invader was looking for valuables
and did not find them. The police
have the matter in hand and believe
they have a clew to the guilty per-
son.

MARRIAGE LICENSES.—Licenses to
wed were issued yesterday to Roy H.
Wright and Aurilla Brocksmith, of
Mesa and to Antonio Valenzuela and
Sarah Armstrong. The latter are In-
dians of the Salt River reservation.

SUIT FOR DIVORCE.—Mrs. Rita
Daley yesterday began suit for a di-
vorce from her husband, Ross Daley,
on the ground of general profligacy.
They were married a little more than
a year ago and from the beginning
their domestic life was not felicitous.

AN AUCTION SALE.—One of the
most successful sales held
this season was that for Lee-Hockett,
three miles west of Six Points. This
one sale amounted to more than \$6000.
Milk cows sold as high as \$111.
Among the other prize stock that
brought very high prices were a
number of especially fine hogs. Mr.
McMurthy has been engaged to con-
duct the auction sale on hand freight
and baggage that is to be held a
week from next Tuesday.

VOLLEY BALL CHALLENGE.—
His fishing trip safely over, and a
short illness disposed of, B. E. Marks
is now ready to devote his attention
to sport of a less dangerous nature
than the pursuit of ferocious trout, or
battling with Old Man Disability. He
has picked a team to buck the title-
holding Business Men. Several of the
champs are out of town, and their
team cannot in any case be repre-
sentative, but with a wealth of good ma-
terial to choose from they ought to
put up a contest worth watching.

GEORGE ELIOT MILLER.—Perhaps
that name is familiar to the reader as
the writer of The Republican's popu-
lar department of local lodges. Mr.
Miller has secured a new job in news-
paper work, while still holding his
others. He is now official correspon-
dent of the El Paso Herald for news
of this part of Arizona. Important
happenings here are in good demand
in news form in the Pass city, and to
get things before the reading public
of that city it is desirable to help Mr.
Miller with his gathering of notes.
His lodge here is well liked all over
the state especially, of course, by the
members of the different orders whose
doings are chronicled in the depart-
ment.

AN OLD MAN IN NEED.—The Re-
publican is in receipt of a letter from
Seligman detailing the sad case of
Professor Leon Johnston who has
been at that place for sometime with
a sick wife and is now without
means. He has been a resident of the
state for many years and has trav-
eled over most parts of it. He has
had great faith in the oil deposits of
Arizona and he arrived at Seligman
from Wickenburg six weeks ago to
make investigations in that region.
But about that time his wife was
seized by illness and what little
money he had was spent for med-
icines. He has tried in vain to se-
cure work at anything. He is well
known throughout Arizona as a spir-
itualist.

IF THIS IS YOUR
BIRTHDAY
Aug 25

Your next year will be a fortunate
one and many pleasant things will
happen. Some restraint should be
placed on your conduct, however,
also a wholesome regard for conse-
quences maintained.
Those born today should be care-
fully taught the laws of health and
a natural lack of judgment in choice
of friends they will be successful and
prosperous.

NEW SECRETARY HERE.—J. L.
Graham, who will take charge of the
Phoenix Y. M. C. A. as general secre-
tary this fall, is in Phoenix on a three
day visit. He leaves for the coast
Monday, his return to work to be
made a week later. He went through
the institution yesterday and got a
general look-in on affairs.

EMPIRE STATERS MEET.—The
Empire state society will hold its reg-
ular monthly meeting at the residence
of Mr. and Mrs. F. M. Cole No. 309 East
Polk street on Monday evening August
26th, beginning at 7:30 o'clock. Busi-
ness of importance will be transacted
and an interesting program will be
rendered. Ladies are requested to
bring cake for refreshments. Children
under the age of fifteen years are re-
quested to remain at home as a pre-
caution of the city health officer
against the spread of infantile paraly-
sis. Consideration of New York's part
in the All States Day celebration to be
held November 2 at the Arizona state
fair will be a feature of the evening.
All former residents of New York state
and members of the society are urged
to come and have a good time.

Wheeler and Wilson entertained the
L. A. S. of the south side on Wednes-
day last at the pretty new home of the
former. There were twenty-five pres-
ent and Mrs. Cathryn Underhill was
accepted as a new member. The con-
tract for the new building was let and
the work will be commenced next
week. This structure will be one of
which the south side will justly be
proud and the ladies are to be con-
gratulated upon the result of their la-
bors thus far. Mrs. Cate, assisted by
Mrs. Roseveare, will entertain the la-
dies at her home, September 18th.

ficulty at present is being able to
